Hard-to-recycle Items

The Green Team sponsors a “hard to recycle” items drop off day several times a year. On that day you can drop off any items listed below (sorted by the categories listed) to the church. Green Team members will then transport those items to the appropriate Recycling Center. We will have containers to drop the respective items into. Sorting them in your own bags, cardboard boxes, etc. will help you and the Green Team with the separation process. This is one way we can reduce the load on our landfills and get items back into the useful cycle of our lives. One of the three R’s (Reduce, Reuse and Recycle). Mother Earth, God’s creation, deserves that sort of care. Join us to make this happen.

New item: Athletic shoes (not eligible are sandals, dress shoes, boots and shoes with metal components like cleats or spikes)
Plastics labeled 1 through 7 (look for the triangle symbol with the number in it). Note: keep clamshells and non water/juice bottles separate from other #1 items. Plastic tubs number 3-7 can go together. Number 2’s are sorted separately.
Fluorescent lightbulbs
Batteries (separate by alkaline, Ni-Cad, Lithium; further separate corroded batteries in baggies)
Plastic lids
Styrofoam blocks and foam blocks
Loose metal - e.g. screws, nails, lids, aerosol cans, etc. – can include small metal tools and scraps
Printer and toner cartridges
Cell phones and chargers
Electronic cords, Holiday lights
Glass bottles of any color
Shredded paper (in a paper bag)
Plastic bags, bubble wrap
Cardboard
FDS and LDPE foam blocks

Also: Undamaged..

Televisions
Computers
Laptops
